

Verification of In Training Status

In order to qualify for the In Training travel awards and for In Training oral and poster award prizes you must verify your status by uploading this letter during the abstract submission process.

You are an Investigator In Training if you fulfill the following two criteria:

1. You fall into one of the following categories:
 - a. **Clinical Fellow** in an approved training program, specialty research fellow (Ex: (WRHR, RSDP)
 - b. **Postdoctoral Fellow** within six years of receiving doctoral or senior degree
 - c. **Resident**
 - d. **Student:** Full-time students enrolled in a formal training program leading to a degree (BA, BS, MD, PhD, MS, MPH)
 - e. **Postgraduate Research Trainee:** Individuals within three years of receiving their bachelor's or master's degree engaged in a predoctoral research experience (i.e. Postbaccalaureate Intramural Research Training Award ([IRTA/CRTA](#)) Program)
2. You do not currently hold and have never held a faculty position or equivalent in any country.
