

## Application for Transition into Emeritus Membership

The current requirements to be considered for Emeritus Membership are that one must be 65 years old and have a reduced work load of less than 25% of a full time position.

As an Emeritus member, you will not be expected to pay membership dues. As a Regular Member, your membership dues included a subscription to the SRI Journal, *Reproductive Sciences* and your online access will continue. Attendance at the SRI Annual Meeting is at the regular member rate until age 70. Emeritus members 70 years of age or older receive free registration at the Annual Meeting. Emeritus members may attend the Annual Business Meeting but may not vote or serve as an Officer.
